

## Craig Boehman Photography Model Release Form

For valuable consideration received, I hereby give Craig Boehman, and his legal successors and assigns, irrevocable permission to license and use the photographs and/or other media (collectively referred to as "Content") taken of me or in which I may be included, for any lawful purpose in any media for marketing, promotional, and any other purpose, excluding pornographic or defamatory uses. The Content may be altered, combined, or developed further at Craig Boehman's discretion.

I understand that biometric data derived from the Content may be used for creating or enhancing machine learning algorithms, artificial intelligence, or other similar technologies, excluding purposes of unique identification. I voluntarily waive any rights related to my biometric data.

I acknowledge that I have no rights to the Content, am not entitled to any further compensation, and will make no further claims against Craig Boehman or his assigns. This release is binding upon my heirs and assigns and is irrevocable, worldwide, and perpetual, subject to applicable laws.

This Model Release is governed by Indian law, without regard to its conflict of law principles, and any disputes under this agreement shall be subject to the exclusive jurisdiction of the courts of Mumbai, India.

I consent to the use of my provided demographic information solely for descriptive purposes related to the Content. My contact information may be used in relation to the licensing of the Content as necessary (e.g., to defend legal claims) but will not be made publicly available without further agreement.

I affirm that I am at least 18 years of age and possess full legal capacity to enter into this Model Release.

**Storage Duration:** In accordance with applicable data protection laws, the Content, this Model Release, and associated data, including biometric data, may be retained as necessary to fulfill the purposes outlined herein.

### Definitions:

- "Assigns" includes Craig Boehman, any person or company to whom he assigns or licenses rights under this Model Release, and their licensees.
- "Biometric Data" means personal data derived from the Content that represents my physical, physiological, or behavioral characteristics.
- "Consideration" is the value I have received in exchange for the rights granted by me in this Model Release.
- "Media" encompasses all forms including digital, electronic, print, television, film, and others.
